

BARTENDING SERVICES

Café Miranda offers fully-insured professional bartending services to Midcoast Maine. We are equipped to handle functions of all sizes including private parties, corporate events, non-profit functions and weddings. Providing an array of bar tending and event services, our bartending packages offer you the ability to customize your beverage service to accommodate your function theme, needs and budget.

Looking for a custom signature cocktail to enhance your event? We can do that too!

Bartending services are available with our catering services or as stand-alone services in conjunction with other caterers. Café Miranda is committed to delivering the best quality service and products. We look forward to serving your next cocktail!
